Certification of U.S.-Made Compliance for GEN-Y Hitch Products

GEN-Y Hitch hereby certifies that all hitch products engineered and manufactured under the GEN-Y Hitch brand are Made in the United States of America, in accordance with the standards and regulations set forth by the Federal Trade Commission (FTC) for U.S.-origin claims.

All GEN-Y Hitch engineered products are, fabricated, assembled, and tested at our headquarters and production facility located in Nappanee, Indiana. The core components and materials utilized in the manufacturing process are predominantly sourced from North American suppliers. All substantial transformation, machining, welding, coating, quality assurance, and final assembly operations are conducted entirely within the United States.

GEN-Y Hitch maintains strict adherence to U.S. manufacturing standards and is committed to delivering products that exemplify American craftsmanship, safety, and performance. This compliance supports not only superior product quality but also sustains American jobs and contributes to the domestic manufacturing economy.

This certification applies to the full range of GEN-Y Hitch product families, including but not limited to:

- | | |
|-------------------|------------------|
| -EXECUTIVE series | - ADMIRAL |
| -MEGA-DUTY series | - CONTRACTOR |
| -GLYDER series | - Aluminum Ramps |
| -BOSS series | |

This certificate applies to most, but not all, GEN-Y Hitch accessories, including but not limited to:

- Hitch Receiver Step

- Skid Plate

- Ball Mounts

- Safety Chain Anchors

- Hitch Pins

- Safety Chain Anchors

Should further documentation or verification be required, please feel free to contact our office at your convenience.

Sincerely,

GEN-Y Hitch
